

VISION

The Smart Solution

EASY FIT - PROFESSIONAL FINISH

VISION

Remote control with LCD display

Easy to clean antibacterial filter

Continuous drain outlet

Rear view ~ twin duct

Operates without requiring an external condenser or any refrigerant pipe work

Ideal for conservatories and Portacabins

Suitable for domestic and light commercial applications

Suitable for off site installations

- **Air Conditioning with Heating**
- No external condenser required
- Suitable for high or low wall installation
- Reverse cycle heat pump, enables all year round climate control
- Remote control with LCD display
- Compact console style ~ Suitable for dwarf walls
- Energy efficient high performance rotary compressor
- Dehumidification function built-in
- Quiet operation
- Timer for added convenience

Technical Specifications

- Cooling capacity: 2.9kW
- Heating capacity: 2.8kW
- Power: Cool 1090W
Heat 960W
- Voltage: 220-240V ~ 50Hz
- Refrigerant R410A
- N.W: 42kg
- G.W: 44kg
- Dehumidification Capacity: 21.6L/day
- Unit Dimensions: 55H x 93W x 25D cm
